*New this year
Free Post-Race Picnic!*

In April 2006, Elora, a 7th grader in the North Allegheny school district, lost her life after a courageous battle with Leukemia.

Elora, from an early age, had a variety of special needs. In spite of physical difficulties Elora loved 5K Races. Finishing long after the other runners crossed the finish line never stopped her from encouraging others along the way. Elora brought out the best in others and Elora's HOPE Foundation wants to continue this tall order.

Elora's HOPE Foundation has received over \$75,000 in donations from the last five year events. The funds have been divided between The Leukemia & Lymphoma Society and has awarded two scholarships each year. A perpetual scholarship has been established which will permit the awarding of scholarships forever in her memory.
